

Lemhi County Airport

LEMHI COUNTY AIRPORT BOARD MINUTES

November 5, 2012

The meeting was called to order by Fred McDonald at 18:15. Board members in attendance: Fred McDonald, chairman, Richard Natelson, Tony Latham, Bill Loudy, and Bob Deurloo. Also in attendance was Lenny Skunberg.

The old minutes from the October meeting were reviewed. Rich made a motion to approve the old minutes. This was seconded by Tony. The motion carried unanimously.

OLD BUSINESS:

Pilots' Lounge: The bids received were reviewed. The lowest bidder was from Phillips Construction. The question was whether this bid included the timber and cultured stone entry. It was felt that the \$ 45,000 bid should include these items. The Board concluded that this will need to be in writing to avoid any confusion.

Bill made a motion to accept the bid (with the timber and cultured stone included in the price.) This was seconded by Tony. The motion carried unanimously.

Jet Ground Reel: The old reel will need to be removed stated Lenny.

Differential Fuel Gauges: Lenny spoke to Lepco and they stated that they will look into the differential gauges the next time they come up.

Pump Lights: The pump lights still are not working. Ray's thought the problem was the bulbs. However, that was not the case. Fred stated that he will speak with Jim Bob from Ray's.

Repair of Tetrahedron: The Board has not heard back from Mr. Bill Miller re its repair.

Courtesy Car: There was a question at the last meeting regarding the status of the car battery. This was looked into by Lenny. The battery tested o.k.

NEW BUSINESS:

Fuel Report: As of today there are:

3648 gallons of Avgas in pump 1

2764 gallons of Avgas in pump 2

7571 gallons of Jet A

Fred plans on ordering another 8000 gallons of avgas tomorrow.

Lemhi County Airport Rules and Regulations:

Tony went over the proposed changes in the rules and regulations. Most of these changes were dealing with updating the language and modernizing the text.

Rich made a motion to approve the modified rules and regulations as discussed. This motion was seconded by Tony. The motion carried unanimously.

They will now go to the F.A.A. for approval, and then they will be submitted to the County commissioners for final approval.

The Board received a letter from a Mr. J. Blatter. He wrote the Board to let us know how pleased he was with the service he received while in Salmon.

The meeting was adjourned at 19:15 h.
